

Our Vision

Our vision was launched in December 2007 and was developed as a result of several workshops and meetings over eighteen months (see the history section).

The vision is:

Each word in the vision is important and carries with it a background meaning and understanding. An explanation of the vision is as follows:

Growing

- We live in an agricultural area – growing things
- Growing is a nurturing word that suggests care.
- The children are growing – physically, intellectually, emotionally.

Beautiful

- Our school is in a beautiful setting.
- We value creative, artistic and beautiful things.
- We feel positive and inspired by beauty

Futures

- We are preparing our children for their futures–for each individual child.

In theValley

- Our school is situated in the Lockyer Valley.

Of Opportunities

- Children who attend our school will be given many opportunities to succeed .
- This includes academic,sporting, creative and social fields.
